## **2007-09 Budget Bill Statutory Language Drafting Request**

- Topic: Changes for Social Security Revenue Appropriation under s. 20.445(5)(n)
- Tracking Code: BB0042
- SBO team: General Government and Economic Development
- SBO analyst: Jenna Weidner
  - Phone: x 6-7329
  - Email: [jenna.weidner@wisconsin.gov](mailto:jenna.weidner@wisconsin.gov)
- Agency acronym: DWD
- Agency number: 445
- Priority (Low, Medium, High): Medium

Intent: The department requests modification to current statutory language under s. 20.445(5)(n) to clarify existing fund transfers under the statute. Under current statutory language, the division annually transfers \$600,000 to the Department of Health Services (DHS). In the 2005-2007 biennial budget, DOA created the statutory language change with the intent to transfer Social Security Administration Reimbursement Revenues received by DVR to fund independent living services in then DHFS from numeric appropriation 543.

The modification in statutory language would insure applicable funds are transferred for the original intent of the statute and maintain Title 1-B Basic Support funds for the federal program intent of serving individuals with disabilities to attain employment.

Specifically, the agency proposed amending s. 20.445 (5)(n) as follows:

*Federal program aids and operations.* All moneys received from the federal government, as authorized by the governor under s. 16.54 for the state administration of continuing programs and all federal moneys received for the purchase of goods and services under ch. 47 and for the purchase of vocational rehabilitation programs for individuals and organizations, to be expended for the purposes specified. The department shall, in each fiscal year, transfer to the appropriation account under s. 20.435(7)(kc) \$600,000 in social security administration reimbursement funds.

Under current law, DWD assists individuals with disabilities in gaining employment through its vocational rehabilitation program. The funding for the program is provided by a federal grant and matching state funds. Some of the individuals assisted through the vocational rehabilitation program receive assistance from the federal government through supplemental security income (SSI) or social security disability income (SSDI). An individual with a disability that gains employment with assistance from the vocational rehabilitation program no longer receives their SSI or SSDI benefit. The federal government reimburses some of the benefits it no longer has to pay to DWD for the vocational rehabilitation program.

Also under current law, DHS provides grants for independent living centers to provide services to the severely disabled. DWD is required to transfer \$600,000 to DHS in order to provide these grants.

This bill specifies that the \$600,000 transferred by DWD to DHS is from social security reimbursement funds.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

**SECTION 1.** 20.445 (5) (n) of the statutes is amended to read:

20.445 (5) (n) *Federal program aids and operations.* All moneys received from

the federal government, as authorized by the governor under s. 16.54, for the state

administration of continuing programs and all federal moneys received for the

purchase of goods and services under ch. 47 and for the purchase of vocational

rehabilitation programs for individuals and organizations, to be expended for the

purposes specified. The department shall, in each fiscal year, transfer to the

appropriation account under s. 20.435 (7) (kc) \$600,000 of moneys received from the

federal social security administration for reimbursement of grants to independent

living centers.
